FUNERAL DIRECTORS

## Mothers' Day By DR. BERTHOLD A. BAER.

When does Mothers' Day begin?

When her first warm breath softly touches the little infant. When does Mothers' Day end?

When she closes her eyes after a life of love, anguish, toil, prayer, help and hope. Though she dies, the results of her good thoughts

and deeds live on and on. Let no Mother be lonesome on Mothers' Day, May ninth. Mr. Frank E. Campbell, founder of The Funeral Church, Broadway at 66th Street, has a flower for all who come to hear a prayer for Mother and listen to a song of Love and Thanks.

Be there at 2.45 P. M. sharp. (Mr. Campbell selected this hour so as not to interfere with any other religious services.)

The happiness you bring is the sunshine you will spread over others. The joy you take with you is the gratitude you have brought.

Sunday is Mothers' Day. Everybody is welcome.
